

**STAFF CONDUCT**

All employees have the responsibility to make themselves familiar with, and abide by, the laws of the State of New Hampshire as they affect their work, all policies and decisions of the Lafayette Regional School Board, and the administrative regulations and directives designed to implement them.

All employees shall be expected to carry out their assigned duties, support and enforce Board policies and administrative regulations, submit required reports, protect school property, oversight of students, and contribute to the education and development of the students.

Employees are advised that failure to abide by this and other school board policies can lead to disciplinary action, up to and including dismissal, and can result in non-renewal. Any action taken regarding an employee's employment with the District will be consistent with all rules, laws, and collective bargaining agreements, if applicable.

The Board incorporates by reference, and adopts as independent standards of conduct relative to employment in the District, the provisions of the New Hampshire Code of Conduct for New Hampshire Educators (Ed 510.01-510.05) as the same may be amended by the State from time to time. The District reserves the right to take employment action against any employee based upon the District's interpretation of the provisions of the NH Code of Conduct and the District's independent assessment of whether an employee has violated the provisions. The District's interpretation, assessment and/or action are independent of any interpretation by the New Hampshire Department of Education with respect to those standards, and irrespective of any investigation by or action taken by the NHDOE relative to an employee's conduct.

The content or a copy of this policy should be included in every employee/staff member handbook, and/or otherwise provided annually to each employee, designated volunteer, and contracted party.
