

HAPPY SUMMER!!!!!!

Hello Sixth Grade Families,

I hope that you are all enjoying your time with family and friends. Hopefully you are having exciting adventures or just plain relaxing! My family and I have been spending lots of time in the water such as oceans, our mini pool, and different lakes.

Although, I am having an amazing time with my family, I am super excited to be your teacher next year! We will explore multiple new worlds of learning. In order to do that, I have ordered many different supplies so that we can be as creative in the learning process as possible. I am ordering new books, new historical curriculum, and yes, I am making a cozy reading corner per your requests. Plus, much more!

You are all probably wondering what you need to bring on the first day. I used to LOVE going back to school shopping. Here is the list:

- Please come having read an awesome book to discuss with the class. Also, please bring in the book.
- A pencil bag or box
- An assignment book
- Headphones (optional)
- I have journals, but if you would like a special one that is up to you.
- I also have pencils and pens, but again if you want special ones they are welcome too.
- We have tables instead of desks so we keep our things in lockers and magazine holders. Some kids last year got shelves for their lockers to help keep organized.

We are going to have a wonderful year!

Sincerely,
Mrs. Weeden
